"The 2013 Le Rive is an outstanding white wine that exhibits a beautiful level of freshness, crispness and general authenticity. The wine is bright and buoyant with beautiful aromas of passion fruit, citrus, crushed mineral and sweet summer peach.

Despite all that fruity intensity, the finish is snappy and bright. I highly recommend this beautiful Italian white."

"The 2014 Massifitti is a spectacular achievement. This special wine immediately grabs your attention thanks to the detailed automatic presentation. It offers a compelling array of stone fruit, crushed mineral, vanilla bean and natural rubber aromas. Its volcanic nature comes through with elegance. Massifitti is a solid and finely textured wine that leaves a lasting impression both in terms of mouthfeel and length. On a scale of high-quality Italian white wines, this expression ranks very high."

"The delicious 2015 Soave Classico Monte Carbonare shows beautiful balance and intensity. The wine opens to a delicate side with yellow fruit, pear, saffron and dried garden herb. It also shows a more powerful side that is fueled by the wine's silky but tight structure and its impressive persistence. This is a highly recommend wine that paints a complete picture of the Soave Classico potential."

"Suavia's 2016 Soave Classico is distinguished by a unique sense of citrus fruitiness with tangerine skin, preserved lemon and grapefruit. Beyond those bright aromas, the wine also offers soothing tones of white peach and honeydew melon.

This Soave Classico shows impeccable balance inside less-formal packaging. This is a highly recommended, food-friendly wine that drinks with ease no matter what the occasion. The finish is driven by drying tones."
